Dear Ms. Best,

The District is in receipt of your California Public Records Act request, dated and received in our Office May 15, 2018, for copies of records related to disruption of cell phone service in August 2011.

The District is in the process of reviewing its files for documents that are responsive to your request. This letter will serve to advise you that, to the extent the records you have requested exist in the District's custody and are not legally exempt from disclosure, they will be made available to you.

The District estimates the documents, if any, will be available by June 12, 2019.

We will notify you of the availability of the records and the cost associated with providing copies to you.

Sincerely,

A handwritten signature in dark ink, appearing to read "Patricia K. Williams", written over a faint, larger signature.

Patricia K. Williams
District Secretary
